INDEX TO THE SEVENTY-THIRD VOLUME OF

THE AMERICAN REVIEW OF REVIEWS

JANUARY-JUNE, 1926

The alphabetical arrangement of the subject matter is modified in some instances by the grouping of related topics under such headings as Agriculture, Aviation, Congress, Debt Settlement, Europe, League of Nations, Railroads, Sport, and United States. So far as space permits, cross-indexing of topics to general headings has been used. For materials relating to various countries, it will be best to look under the name of the nation. Pictures of interesting personalities are grouped under the heading "Portraits," on page vii.

Letters in parentheses signify nature of article (C.) contributed article; (Ed.) editorial; (L.) "leading article" (digested from another source); (il.) illustrated; (R.) book review.

Pp. 1-112, January; pp. 113-224, February; pp. 225-336, March; pp. 337-448, April; pp. 449-560, May; pp. 561-672, June.

ADVERTISING, information about modern (L.), 657.
Agriculture:
A good farm year (Ed.), 18.
American, since 1900 (C.), 35.
